## 12.2 FEDHEALTH SAVINGS TERMS &amp; CONDITIONS

These are the terms and conditions that will apply to the activation and use of your MediVault and Wallet, which is available to all active Members of the Scheme who are on the flexiFED range should you elect to make use of it.

The interest free loan available in the MediVault Benefit is pre-determined by the Scheme based on the benefit option and day-to-day choice selected as well as the family size or composition. This MediVault Benefit will not be available on the Hospital Plan unless you move to a Flexible Savings Plan during the year. On the Flexible Savings Plan, you can decide how much of the total MediVault benefit you choose to transfer to your Wallet account at any time during the benefit year. The instalment will change based on the timing and frequency of transfers as well as repayment term. You can also choose your repayment period less than 12 months. Should you choose the Savings Plan, the pre-determined amount will be transferred annually on the 1 January to your Wallet account or the pro-rated amount as per your join date when joining the scheme. Please refer to the Scheme brochure.

**General Provisions**

- The MediVault is available annually as per the Scheme benefit year, which runs from 1 January to 31 December. Only Flexible Savings Plans can be accessed any time of the year.
- The MediVault will be prorated for a member joining the Scheme during the benefit year unless predetermined rules are defined for a Participating Paypoint.
- The minimum amount which may be transferred from the MediVault to the Wallet is R600.

**Eligibility Criteria**

- The MediVault is available to all members on options which offer this benefit. Members automatically accept the terms and conditions upon joining a flexiFED option.
- To qualify for the MediVault the member must be in good standing with the Scheme and over the age of 18 years.
- Suspended and terminated members will not be allowed to transfer any amounts from their MediVault to their Wallet, nor will suspended members be able to select the Savings Plan.
- The legal guardian of a member younger than 18 years of age can apply for the benefit on behalf of the minor member.
- The MediVault is only available to active beneficiaries of the Scheme.

**MediVault Conditions**

- When a member joins a flexiFED option they automatically accept the terms and conditions for MediVault.
- The MediVault is provided by the Scheme, in terms of the Scheme Rules, more particularly Rule 19.13 (which empowers the Board to grant repayable loans to members) and Section 30 (b) of the Medical Schemes Act 131 of 1998.
- The loan amount in the MediVault will only be available up to a maximum as specified on the applicable option or company rule for a Participating Paypoint.
- The loan will not attract any interest (i.e. it will be an interest free loan).
- Any portion of the MediVault not transferred to the Wallet during a benefit year will not carry over to the next year.
- The maximum loan amount available in the MediVault may only be utilised once during a benefit year. Repayment of the loan will not result in the loan becoming available again. (i.e. the MediVault facility will not be based on a revolving credit basis).
- The loan is **only** activated once the member instructs the Scheme to transfer an amount from the member's MediVault to the member's Wallet, or when the member selects the Savings Plan.

**Wallet Activation**

- The member transfers funds from the MediVault Benefit to their Wallet account utilising the various platforms available to members. When a member selects the Savings Plan, the annual pre-determined amount will be automatically transferred on the 1st January annually.
- Subject to the provisions under General Provisions above, members on the Flexible Savings Plan are not restricted in terms of the number of transfers from the MediVault into the Wallet in a benefit year.
- Any amount held in the Wallet will not earn any interest.
- A five (5) day cooling off period will be allowed for the purpose of cancelling the Wallet activation.

**Wallet Utilisation**

- The amount transferred to the member's Wallet can only be accessed by submitting a valid claim to the Scheme.
- The amount available in the member's Wallet will **only** be utilised once the member's Medical Savings Account has been exhausted.
- All payments made from the member's Wallet for the benefit of the member or the member's dependants will only be for the funding of relevant healthcare services and will be made directly by the Scheme to the healthcare provider, medical facility or refunded to the member.
- The member and his/her dependants will have access to the amount available in the member's Wallet during any waiting periods (if applicable).
- Any amount left over in the member's Wallet at year end will remain in the Wallet for utilisation in the following year. This amount will not earn any interest.

**Repayment of the Transferred amount**

- Repayments of the loan/s are in arrears and will commence on the debit order date selected following an instruction by the member to transfer an amount from the MediVault to the Wallet before the tenth (10th) of the month. Any transfers after the tenth (10th) will become due in the following month.
- If the Savings Plan is selected during a benefit year, the pre-determined Wallet activation will be pro-rated to ensure repayments are completed by the end of January of the following year.
- Repayment of the loan payment by debit order is compulsory, therefore bank details must be provided, refer to section 7 of the application form.
- The debit order deduction will be done on the selected day of the month except where it falls on a public holiday - in which case it will be collected on the day before or after, depending on the circumstances.
- Each and every loan activated must be repaid over a maximum 12-month period. The repayment term for that loan cannot be amended after the event.
- You may select a repayment period less than 12 months.
- Your debit order repayment amount will be adjusted with any subsequent loan activations. The Savings Plan collection will remain the same, on condition that the previous year's instalment is fully paid up and no additional funds are accessed or activated during the year.
- A single debit order will be deducted from the member's account for contributions as well as the MediVault instalment, with the following reference: FDHSUBVLT<member number>, unless a member belongs to a Non-Participating Paypoint Group that only pays for contributions and not the MediVault instalment. In this case, a separate debit order deduction will occur with the following reference: FDHVLVLT<member number>.
- The member may make additional repayments at any time, but it will not reduce the monthly instalment; only the period of indebtedness.
- The member will receive a monthly statement reflecting the total MediVault Benefit, MediVault Benefit used and MediVault Benefit available.
- The statement will also reflect the detail of the MediVault Benefit used and repayments thereof.
- If a member belongs to a Participating Paypoint Group, the repayment will be collected from the Participating Paypoint Group. The member still needs to provide their banking details for collection to ensure continued collection if the member no longer belongs to the Participating Paypoint Group.
- The member remains ultimately responsible for the repayment of the loan.

**Dependant Termination**

- If a dependant is terminated off the membership, the amount available in the MediVault will be recalculated according to the new family size and composition.
- If, at the time of termination of the dependant, the member has transferred an amount to his Wallet greater than the recalculated MediVault amount, no further transfers will be allowed, however the member will still be required to repay all amounts transferred to the member's Wallet.
- If the member has not utilised more than the recalculated MediVault Benefit, the recalculated MediVault Benefit will be allocated as the new MediVault limit. The new MediVault available balance will be the recalculated MediVault Benefit minus the amounts transferred to the Wallet during the benefit year.

**Option Change during the Benefit Year**

- Where there is an option upgrade that takes place during the benefit year, to an option which also offers the MediVault Benefit, the MediVault Benefit will be recalculated according to the new benefit option.
- If a member downgrades to an option with a lower MediVault Benefit available and at the time of downgrading the member has transferred an amount to his Wallet greater than the lower MediVault Benefit, no further transfers will be allowed, however the member will still be required to repay all amounts transferred to the member's Wallet.
- If a member downgrades to an option with a lower MediVault Benefit available and at the time of downgrading the member has not utilised more than the lower MediVault Benefit, the lower MediVault Benefit will become the member's new MediVault limit. The new MediVault available balance will be the lower MediVault Benefit minus any amounts transferred to the member's Wallet during the benefit year.
- If the member moves to a Fedhealth option where the MediVault Benefit is not available, the member will be required to still repay the utilised amount transferred to the Wallet for the remainder of the repayment period. Any unused credits will be offset with any debt outstanding or refunded to the member on request.

**Repayment on Termination**

- Any outstanding loan amount owed by the member on termination of membership will be offset against any credit balances (including Wallet balances) due to the member.
- Any remaining loan balance outstanding must be repaid to the Scheme by the first (1st) of the month following termination.
- Any amount left in the member's Wallet, after all debt has been settled, will be refunded to the member.

**12.2 FEDHEALTH SAVINGS TERMS & CONDITIONS (CONTINUED)**

**Repayment on Estate Late and Continuation Membership**

- a) Any outstanding loan amount owed by the deceased member cannot become the responsibility of the new member (continuation of the surviving spouse/dependant) and needs to follow the Death Administration process as defined in Estate Act, 66 of 1965 (as amended).
- b) The new member must comply with the Eligibility Criteria set out above.
- c) When a new member joins a flexiFED option they automatically accepts the terms and conditions for MediVault.

- b) The new member must comply with the Eligibility Criteria set out above.
- c) The new member automatically accept MediVault terms and conditions on joining a flexiFED option before transferring a MediVault amount to their Wallet.
- d) The MediVault benefit on the new membership will only be activated after a period of 30 (thirty) days from the date of the new membership becoming active, provided that all outstanding activation amounts were settled by the dependant on the previous MediVault benefit.

**Debt Collection Process**

- a) Any outstanding loan amount for an active or terminated member will not be written off and will be pursued through debt collection.
- b) Deferred instalments will not be allowed and will result in full membership suspension and no claims will be paid until the member is in good standing, and the Scheme's debt collection process will follow.
- c) A member who continues to default on the loan instalment debt will be offset with the available Wallet credits and no further access will be allowed to the unused MediVault Benefit. Any outstanding instalments will result in full membership suspension.
- d) Members will be liable to pay for all fees associated with the collection of outstanding debts.
